

THE GREENWICH YACHT CLUB

# PARTIES

2025

We are delighted to introduce you to The Greenwich Yacht Club. GYC is London's hidden riverside gem located next to the O2. The Club has 2 stunning event spaces available for hire throughout the year for 20 to 200 guests making it the perfect venue for that unique event that won't fail to impress.

A photograph of a wooden boat on a pebbly beach. The boat is the central focus, with its mast and rigging extending towards the top left. In the background, a modern, multi-story clubhouse with large windows and a prominent white chimney stands on a wooden pier. The sky is blue with scattered white clouds. The text is overlaid on the upper right portion of the image.

Greenwich Yacht Club was founded in 1908 by a group of Thames watermen and sailors. The first Clubhouse was situated on the beach adjacent to the current clubhouse in a large landed barge. In 1999 the Yacht Club moved to its current home on the ever changing peninsula and now boasts two fantastic venues...

...The Clubhouse, which sits on top of the Thames, has stunning panoramic river views taking in the Millennium Dome, the Thames Barrier and the Olympic Park.

The River Rooms are a purpose built event space also with wonderful views and an outside decking area making it the perfect setting for parties.

# THE RIVER ROOMS

The River Rooms is our dedicated event space made up of 3 adjoining spaces.

- **The main hall**
- **The reception hall**
- **The outdoor decking**

The rooms are hired as one and allow your event to flow seamlessly from one element to the next.

The sun terrace allows your guests to enjoy the weather when the sun decides to shine and can host Barbeques and Hog Roasts if you want to mix up the catering a little. You can also put up a marquee if you don't want to gamble on the British weather.

The lounge bar gives everyone a place to relax and enjoy a drink whilst your guest mingle.

Our main hall is the perfect space for either corporate lunches, celebrations or small performances.

# THE CLUBHOUSE

The Clubhouse, uniquely in London, is a building situated on the Thames. Guests can walk across the bridge or arrive by boat on the private pontoon at the back of the building.

Once inside the first thing you will notice is the stunning panoramic views of the river and some of London's iconic landmarks. The O2 and cable car, The Thames Barrier and the Orbit tower in the Olympic park provide guests with the feeling that they are in the heart of modern London.

Concertina doors and a completely surrounding balcony means that guests can enjoy the river views to their hearts content.

Boating flags and nautical treasures and memorabilia adorn the ceiling and walls giving the hall a definite yachting theme and a breathtaking backdrop for your wedding.

The Clubhouse is our members bar and is therefore exclusively available on Wednesday, Thursday, Friday and Saturdays.

Pizza Squad serves wood fired pizza from their transformed sprinter van, using sustainably sourced wood from the London log company. Their Pizza oven was custom made for them in Italy to fit inside their mobile kitchen in the van.

Gianni's experience in creative cooking in London, added to his early years working in his parents Pizza restaurant in Italy make the perfect match for the culinary offerings of Pizza Squad, which began from his and Adrian's desire to take restaurant quality food to people on the street, after 30 years of working in top London restaurants.

It took them 6 months to find the right recipe for their thin and crispy dough such as you'd find in Tuscany, which is where Gianni hails from, and our Tomato sauce is a fine balance of Italian Tomatoes, Garlic, Onions, extra Virgin Olive oil and fresh Basil. Gianni develops and cooks all our toppings to create a dish that's "More than just Pizza"!
